Presentations requirements

- Conference papers may be submitted as an oral paper or poster presentation either individually or with group authorship.
- At least, one of the authors must be registered in the Symposium.
- The Symposium registration payment will give you the right to present a maximum of two papers as the main author.
- If the conference paper has two or more authors, the speaker must be noticeable with an asterisk.
- The topic of the paper must be related to any of the topics included in the symposium
- The paper must be original and recent, written in Spanish or English, with a maximum extension of one page and must fill the established format included in the Symposium website.
- The paper must be written using Microsoft Word® with the Times Roman font, size 11, capital and lower case letter; title and subtitle in bold type letter, 0.79 inches margin; and single spacing 0 point before and after.
- For evaluation the papers should be sent to simposio.cyta@ujat.mx with copy to cyta.ujat@gmail.com by **August 10th, 2012**; indicating the topic in which the author wishes to be included and the preferred category of presentation (oral or poster).
- The scientific committee will evaluate the papers and inform about the obtained results. Only the papers of those registered in the Symposium will be considered.
- The Abstract content will be published without any modification, so IT IS THE AUTHOR(S) AND HIS/HER (THEIR) INSTITUTION'S RESPONSIBILITY.
- The slide presentations must be written using Microsoft PowerPoint® and must have 10 minutes length with 5 minutes for the questions and answers session. NOTE: We request the speakers to be adjusted to time.
- The posters size will be 35.5 x 47.5 inches and will be in a free format. The speaker must have to be present next to his/her poster during the poster presentation session.

- According to the Scientific Committee criterion, a special award will be given to the best presented Posters.
- With the authors' consent, an extended version of the accepted papers could be published in later dates to the Symposium in edition with ISBN, if it has not been previously published and if it fulfills the requirements that will be indicated by the Scientific and Editorial Committee.

Attendance and participation requirements:

People interested in attend and participate, must print, fill, scan and send the registration form included in the Symposium website and send it attached with the proof of the registration payment to the Symposium e-mails.
